VA hosts Ladies Night for female Veterans

NEW ORLEANS – Southeast Louisiana Veterans Health Care System (SLVHCS) invites female Veterans to the new Veterans medical center for Ladies Night from 6 to 8 p.m. May 11, 2017.

The event will be held at 2400 Canal Street with free parking available in the patient and visitor garage on the corner of Galvez and Tulane.

“Female Veterans are a fast growing population and we want them to know that we are here to meet their health care needs,” said SLVHCS Medical Center Director Fernando O. Rivera. “This event is an opportunity for them to learn about services offered at the new Veterans medical center and throughout the health care system, and also get treated to some pampering through generous donations from our partners.”

Manicures, chair massages, food and music are just some of the specialties being offered at this event. Attendees should come dressed for a special evening.

To RSVP for the event, call 504-507-7559.

The Department of Veterans Affairs works to ensure that timely, equitable, high-quality, comprehensive health care services are provided in a sensitive and safe environment at VA medical facilities nationwide. VA strives to be a national leader in the provision of health care for women, thereby raising the standard of care for all women.

For more information about the new Veterans medical center, clinic locations and other services available to Veterans in southeast Louisiana, visit the website www.neworleans.va.gov, Facebook at www.facebook.com/VANewOrleans or Twitter at www.twitter.com/vaneworleans.
