VA hosts Ladies Night for female Veterans

NEW ORLEANS – Southeast Louisiana Veterans Health Care System (SLVHCS) invites female Veterans to the new Veterans medical center for Ladies Night from 6 to 8 p.m. May 10, 2018.

The event will be held at 2400 Canal Street with free parking available in the patient and visitor garage on the corner of Galvez and Tulane.

“We are proud to serve over 4,000 female Veterans in our health care system and excited to share with them more information about services offered to them, as well as connect them with about a dozen community partners that will be here to share information about how they can support our female Veterans as well,” said SLVHCS Medical Center Director Fernando O. Rivera, FACHE.

Information will be available on caregiver support, exercise and weight loss programs, signing up for the My HealthVet program, pharmacy, transitional care management, mental health services, eligibility for care, employment information and more! Through generous donations from our partners, attendees will also be offered manicures, door prizes, refreshments and music and should come dressed for a special evening.

To RSVP for the event, call 1-800-935-8387, ext. 66187 or register online at <http://goo.gl/r7fPBH> or by Facebook, keyword: VANewOrleans.
