SLVHCS hosts nursing career fair in New Orleans

NEW ORLEANS – Southeast Louisiana Veterans Health Care System will be hosting a nursing career fair from 8 a.m. to 12 p.m. Thursday, February 4, at the recruitment center located at 2400 Canal Street in New Orleans.

Throughout the event, SLVHCS Human Resources specialists will share information about current and upcoming vacancies within the health care system and how to apply for positions as SLVHCS prepares to open its new 1.6 million sq. ft. medical center in Mid-City New Orleans.

The health care system will be hiring nearly 1,000 employees to staff its new medical center. The Nursing Service chief and program representatives will be available to answer questions and provide information about the type of jobs available.

A VA for Vets coordinator will also be on site to help Veterans apply for positions through special hiring authorities.

There is minimal parking onsite at this time for visitors to the recruitment center; however, the recruitment center is on the streetcar and bus route.
